

Investments for Your Reception

Memory Makers Entertainment from Grayslake is one of the few full-time deejay companies in the Chicagoland area. Over the past 22 years we have entertained at more than 6,500 weddings, school dances, corporate picnics, holiday events, festivals, and celebrations of all types.

Owner Dave Woll prides himself on having the strongest team of DJs that can make any celebration a HUGE success. Come meet them all at our DJ Showcase.

Choose from 168,323 songs in our all-digital library. Our high quality equipment makes a difference, but in the end its the talent that can make or break your event. We are unofficial "crowd psychologists" — we thrive at reading a crowd and being able to simultaneously make grandma happy, get the younger generations dancing, and give newlyweds the time of their lives.
